- 2.1 make, or permit the making of, Paper Copies;
- 2.2 distribute, or permit the distribution of, Paper Copies to Authorised Persons;
- 2.3 scan Material Licensed for Scanning to produce Digital Copies provided that, subject to clause 7, the Licensee shall use reasonable endeavours to identify whether it subscribes to a digital version of the work in question and, if so, to use that digital version instead of creating a Digital Copy by scanning;
- 2.4 create Digital Copies by retyping extracts of Licensed Material onto a computer;
- 2.5 make available, or permit the making available of, Digital Copies, in both cases solely within the Secure Network, and to permit Authorised Persons to access, download and print such Digital Copies in each case for any of the Licensee's internal information purposes (including, for example, the creation of and circulation and provision of multiple access to press cuttings taken from Material Licensed for Scanning via the Secure Network) as well as the specific uses related to the Course of Study;

- 2.6 make copies, or permit the making and distribution of, Accessible Copies in accordance with clause 8;
- 2.7 For the avoidance of doubt, students accessing the Secure Network remotely for the purposes of their studies may open and view a Digital Copy and print out a single paper copy therefrom, but students aged sixteen and under may only make Digital Copies under the Licence under the direction of a member of the teaching staff as part of formal teaching or school activities.
- 2.8 This Agreement is without prejudice to any acts which the Licensee or an Authorised Person is permitted to undertake without permission of the copyright owner under the terms of local copyright legislation, such as the Copyright, Designs and Patents Act 1988 (as amended) in the UK, and nothing herein shall be construed as affecting or diminishing such permitted acts in any way, it being acknowledged that such permitted acts must be construed in accordance with the principles set out in Article 9(2) of the Berne Convention,

In default of agreement between the parties the matter may be referred to mediation in accordance with the Centre for Effective Dispute Resolution Select Mediation Procedure.

The Licence Fee, together with VAT thereon, is payable within 30 days from the date of an invoice from CLA. CLA reserves the right to charge interest at the Prescribed Rate on any payment after such date.

5. Conditions applying to creation and use of licensed copies

- 5.1 The number of Paper Copies of any one item of Licensed Material taken at any one time shall not exceed the number needed to ensure that there is one Paper Copy for each member of the teaching staff and each student in the class, lesson or course of study within the academic year for which the Paper Copies are intended. Where the Paper Copies are intended for a meeting of Authorised Persons, the number of Licensed Copies shall not exceed the numbers attending that meeting.
- 5.2 The Licensee shall ensure that Licensed Copies do not exceed either singly or in aggregate the greater of five (5) per cent of any published edition, or:
- i) in the case of a book, one complete chapter;
 - ii) in the case of an issue of a serial publication, or a set of conference proceedings, one whole article;
 - iii) in the case of a play, one scene
 - iv) in the case of an anthology of short stories, poems or plays, one short story poem or play not exceeding ten (10) pages in length;
 - v) in the case of a published report of judicial proceedings, the entire report of a single case.

For Digital Material that is not made available or otherwise structured as a conventional book, journal, magazine or other periodical or where the Digital Material is not divided into distinct sections identifiable as the equivalent of a book chapter or of an article in a journal, magazine or other periodical, the Licensee shall ensure, as far as is reasonably practicable, that copying is limited to extracts that are equivalent to the limits set out above, at all times bearing in mind clause 5.5, in particular the requirement that no copying shall substitute for the purchase of original Licensed Material.

- 5.3 No systematic or repeated copying of the same Licensed Material or part thereof for any one class, lesson or course of study within an academic year beyond the limits set out in Clause 5.2 above is permitted.
- 5.4 With the exception of any part of Website Material that is 'free-to-view', the Licensee must own or have subscribed, to, an original or a copy on which it has paid a copyright fee (which shall include material supplied in either hardcopy or electronic form by a supplier licensed by CLA to provide such a service such as, but without limitation, document delivery and press cuttings suppliers) of any Licensed Material it copies, scans or uses under the terms of this Licence). The making of Licensed Copies shall not directly or indirectly substitute for the purchase of original Licensed Material or for the commissioning, reproduction, hire or any other use of an original artistic work within Licensed Material
- 5.5 Paper Copies made in each Licence Year may be stored and used throughout the Licence Year and for the remainder of any academic year beginning within the Licence Year, but must then be destroyed unless the copies are in a satisfactory condition. Any copies retained for a subsequent academic year must be re-reported in any data collection exercise.

6. Further conditions applying to the creation and use of digital copies

- 6.1 Except as may be permitted by this clause, by clause 8 or by statute, the Licensee shall not edit, amend, manipulate, add to or delete from Digital Copies nor shall it authorise the same, and no digital manipulation, morphing, colour or shade adjustment or otherwise may be made of Digital Copies or Digital Material under the Licence.
- 6.2 Digital Copies may not be placed on the publicly accessible internet or be linked either directly or indirectly by hypertext links (or the like) to or from any external or third party website. Digital Copies may not be stored in open resources (such as, but not limited to electronic reserves, digital libraries or institutional repositories) to the extent that they are accessible to members of the public who are not Authorised Persons.
- 6.3 Except as permitted by the Licence, no other copying, dissemination, distribution, publication, communication or making available to the public, repackaging or distribution, in any form of Digital Copies, in whole or in part, is permitted.
- 6.4 Where any work (including an artistic work) appearing within Material Licensed for Scanning or Digital Material incorporates, or has adjacent to it, the identity of the author or creator of the work, no Digital Copy of that work shall be made unless the Digital Copy incorporates the identity of such author or creator.

- 6.5 Without prejudice to its obligations set out in Clause 6.4, the Licensee shall use reasonable endeavours to include, where practicable, in a prominent place in all Digital Copies (or have displayed before viewing) a copyright notice containing at least the identity of the author or creator of the literary or artistic work and the title of the work from which it is made; where material to be scanned, copied, accessed or used already contains a copyright notice placed by a Rightsholder on a document, the Licensee shall not be required to add a further notice to the document.
- 6.6 The Licensee will delete from the hard drives of all its central and local servers any and all Digital Copies which may be stored there upon notice from CLA that the copyright holder believes that the Licensed Material contained in the Digital Copies infringes copyright or is or may be defamatory, obscene or otherwise unlawful.
- 6.7 Where extracts of Licensed Material are retyped onto a computer pursuant to clause 2.4, the Licensee shall ensure that the retyped extract is a verbatim copy of the Licensed Material and includes the identity of the author and title of the work from which it is extracted
- 6.8 Notwithstanding anything to the contrary, extracts of Licensed Material and other material generated by teaching staff or students may be combined, parts may be blanked out, relevant parts may be selected, translated or adapted as a pedagogic exercise only and illustrations or photographs may be dis-embedded provided in all instances the identity of the author and the title of the original source, and the fact of the adaptation are clearly identified and the moral rights of the author are observed.
- 6.9 Digital Copies may not be stored on a server, or systematically indexed, with the intention of creating an electronic library or similar educational information resource of extracts of Licensed Material except that:
- 6.9.1 Digital Copies may be stored where necessary for technical or back-up purposes or where the retention of such Digital Copies may be required by law;
- 6.9.2 Digital Copies may be stored on a server and/ or systematically indexed solely for the purposes of, and for the duration of, the class, lesson or course of study for which the Digital Copy was made and intended to be used and shall, in any event, be deleted at the end of the academic year in which the Digital Copy was made
- 6.9.3 Notwithstanding clause 6.9.2, if a Digital Copy is required for the subsequent academic year, it may be retained provided it continues to be reported in any data collection exercise. If not required for the subsequent academic year, but likely to be required subsequently, it may be retained provided it is not made available other than to the staff responsible for the management of digital learning resources or similar and if used again must be reported in any data collection exercise.
- 6.10 The Licensee may subcontract the making of Digital Copies to third parties, provided that:
- 6.10.1 the Licensee takes all reasonable steps to ensure that any such third party operates appropriate management and security procedures so as to ensure compliance with the terms of this Licence;
- 6.10.2 a record is kept of all such subcontracts, and the Digital Copies made thereunder, and that such record is provided on request to CLA;
- 6.10.3 all such subcontracts require the sub-contractor to comply, as appropriate, with the conditions of the Licence relating to Digital Copies and which, in particular, prohibit the sub-contractor from retaining any Digital Copy (or any intermediate copy involved in the production of the same) and shall include a clause conferring on CLA the right to take action directly against any such sub-contractor pursuant to the Contracts (Right of Third Parties) Act 1999;

7. Further conditions applying to the use of CCC electronic-rights works

- 7.1 Notwithstanding clause 2.3, the Licensee may only scan, or permit the scanning of, hard copies of a CCC Electronic-Rights Work under the Licence where the same is not reasonably available in digital form for the Licensee to purchase whether by subscription or otherwise.
- 7.2 The use of CCC Electronic-Rights Works is subject to such special limitations or other terms (if any) as are applicable to any individual work as identified on CLA's website.

8. Print disabled persons

- 8.1 The provisions of this clause shall only apply where an Authorised Person is a Print Disabled Person in accordance with clause 8.3.
- 8.2 Notwithstanding the provisions of clause 5.2 the Licensee, and as appropriate Authorised Persons, may make and supply a copy of part or the whole of any work within Licensed Material in an alternative manner or form that gives a Print Disabled Person access to the work including allowing for the Print Disabled Person to have access as feasibly and comfortably as a person without a visual impairment or any of the disabilities referred to in clause 8.3 (an "Accessible Format Copy") but must respect the integrity of the work and not include any changes to the work which are not necessary in order to make an Accessible Format Copy for the exclusive use of the Print Disabled Person for whom it is intended on, and subject to, the following conditions:
- 8.2.1 the Licensee must have lawful access to an original copy of any work from which it makes an Accessible Format Copy;
- 8.2.2 each Accessible Format Copy that exceeds the limits set out in clause 5.2 shall contain:
- i) a statement that it is a copy of the original work made under a CLA Licence for the personal use of a Print Disabled Person and that it may not be further copied (including any electronic copying or transmission) or dealt with without permission or save as may be permitted by law; and
- ii) the title, as well as the name of the author and publisher, of the original work and the published edition from which it is copied.
- 8.2.3 the Licensee may only charge for the supply of an Accessible Format Copy an amount which does not exceed the cost of making and supplying it;
- 8.2.4 that the Accessible Format Copy is only for the personal use of a Print Disabled Person (or a person acting for and on behalf of a Print Disabled Person) who is an Authorised Person; and
- 8.2.5 Accessible Format Copies may only be distributed in the United Kingdom except that Accessible Copies of works published within the United Kingdom may be distributed in any member state of the European Union and any other country that is a party to the Marrakesh Treaty 2013.

- 8.3** An Authorised Person is to be regarded as a "Print Disabled Person" for the purposes of this clause if he or she is a person who:
- 8.3.1** is blind;
 - 8.3.2** has a visual impairment which cannot be improved so as to give that person visual function substantially equivalent to that of a person who has no such impairment;
 - 8.3.3** has a perceptual or reading disability, including dyslexia, and is, as a result, unable to read printed works to substantially the same degree as a person without an impairment or disability;
 - 8.3.4** is otherwise unable, due to physical disability, to hold or manipulate a book or to focus or move their eyes to the extent that would be normally acceptable for reading; or
- 8.4** This clause is without prejudice to and does not purport to prevent or restrict the doing of any act which in accordance with local copyright legislation, such as the Copyright, Designs and Patents Act 1988 (as amended) in the UK would not infringe copyright.

9. Notification to licensee's staff

- 9.1** The Licensee shall ensure that all its staff (and particularly those with responsibility for reprographic and scanning equipment) are made aware of the terms and conditions of the Licence, including the exclusion of certain works and categories of work, and shall take all reasonable action to ensure that all Authorised Persons comply with such terms and conditions. In particular, the Licensee shall ensure where reasonably practicable that copies of any user guidelines, and other relevant support materials as supplied by CLA or made available on CLA's website are displayed next to all fixed-location photocopying and/ or scanning machines, and next to any and all other reprographic equipment, and are drawn to the attention of all Authorised Persons.
- 9.2** The Licensee shall appoint an Authorised Person as a CLA Licence Co-ordinator to liaise with CLA in connection with the administration and implementation of the Licence.

10. Data collection

- 10.1** CLA may, no more than once in each year, require the Licensee to participate in a data collection exercise to identify the type of photocopying and scanning of Licensed Material and the use or re-use of Digital Material under the Licence which will assist CLA in distributing the Licence Fee to authors, artists and publishers.
- 10.2** The data collection exercise may, without limitation, take the form of a survey or a record keeping or online reporting exercise or any combination of these, including the recording of the creation of Digital Copies, in accordance with any guidelines on data collection on CLA's website.
- 10.3** If selected by CLA to participate in a data collection exercise, the Licensee shall co-operate with CLA in conducting the data collection exercise and undertakes to ensure that its staff comply with its obligations under this clause.
- 10.4** CLA undertakes not to disclose any information obtained as a result of any data collection except:
- 10.4.1** as required by a court or other authority of competent jurisdiction; or
 - 10.4.2** in aggregated form from which the identity of the Licensee cannot directly be identified.
- 10.5** Any survey or record-keeping exercise must include all Accessible Copies.

11. Indemnity

- 11.1** In this clause "Qualifying Claim" shall mean any complaint made in writing that the Licensee acting in pursuance of this Licence has infringed copyright and/ or database right in Licensed Material or in the typographical arrangement of the published edition in which Licensed Material is contained.
- 11.2** In the case of any Qualifying Claim CLA will indemnify the Licensee in respect of all reasonable legal costs, expenses and damages awarded against or incurred by the Licensee including any ex-gratia payments made with the prior written consent of CLA, provided the Licensee has complied with the terms of this Licence and has given CLA notice of any Qualifying Claim within ten (10) working days or, in the case of a Claim Form, within five (5) working days of the same having been received by the Licensee.
- 11.3** The indemnity conferred by this clause shall not apply:
- 11.3.1** if the Licensee is in material breach of any term of the Licence; or
 - 11.3.2** during any period, or in respect of matters arising during such period, while the Licence is in suspense pursuant to clause 12.
- 11.4** CLA will take over responsibility for any negotiations for the settlement of any Qualifying Claim and if such Qualifying Claim cannot be resolved by negotiation CLA shall assume full responsibility for the conduct of the defence of such Qualifying Claim. The Licensee shall co-operate with CLA in this respect where reasonably requested by CLA to do so.
- 11.5** The Licensee shall ensure that no admission or offer of payment or indemnity shall be made or given by or on its behalf or on behalf of CLA without CLA's written consent and shall ensure that all correspondence received in connection with a Qualifying Claim is promptly passed to CLA.
- 11.6** The Licensee shall indemnify CLA in respect of all reasonable expenses, damages and legal costs awarded against or incurred by CLA in respect of any claim arising out of the Licensee's breach of any term of the Licence.

12. Breach and termination

- 12.1** Either CLA or any entity paying the Licence Fee on behalf of the Licensee or the Licensee (if it is paying the Licence Fee directly) may terminate the Licence upon giving at least 30 days written notice served so as to expire at the end of each Licence Year.
- 12.2** Should the Licensee commit any material breach of any of the terms and conditions of this Licence (such material breach to include non-payment of the Licence Fee by or on behalf of the Licensee) and remain in such breach 14 days after receiving notice to remedy the same (where the breach is remediable) then CLA, without prejudice to any of its other rights, may by notice either terminate or suspend the terms of the Licence until CLA shall be satisfied such breaches will not recur.

- 12.3 Either party may terminate the Licence by notice in writing to the other if and when a supervisor, administrator, receiver, administrative Receiver or other encumbrancer takes possession of, or is appointed over, the whole or any substantial part of the other party's assets or if and when the other party enters into any arrangement or composition with or for the benefit of its creditors (including any voluntary arrangement under insolvency legislation) or if and when a petition is presented for the purpose of the making of an administration order or the winding-up of the other party which is not discharged within 7 days of the presentation of such a petition or if the other party is placed into liquidation or administration or if the other party is dissolved or if a resolution for the winding up of the other party is passed (other than a voluntary liquidation for the purpose of reconstruction in which all creditors' claims will be discharged in full) or if a bankruptcy petition is presented against the other party which is not discharged within 7 days of its presentation or for any other similar insolvency event.
- 12.4 Upon termination of the Licence, for whatever reason, the Licensee shall immediately delete from the hard drives of all its central and local servers any and all Digital Copies which may be stored there (save from those Digital Copies the retention of which is required by law), and upon written request from CLA the Licensee shall certify that it has done so.

13. General

- 13.1 All notices given under the Licence shall be in writing by electronic mail. In the case of there being no valid electronic contact, notices shall be sent by first class post, to the address notified by each party, and shall be deemed to have been served on the second working day (which shall exclude weekends and English public holidays) following the date of posting and the next working day following the date of sending of an email.
- 13.2 The Licence may only be varied if such variance is acknowledged in writing by a duly authorised person on behalf of CLA and the Licensee.
- 13.3 The Licence is personal to the Licensee and may not be assigned or otherwise disposed of in whole or in part.
- 13.4 The Licence shall be governed by English law and the parties agree to submit to the exclusive jurisdiction of the English courts as regards any claim or matter arising in relation to the Licence.
- 13.5 The parties do not intend that any term of the Licence shall be enforceable solely by virtue of the contracts (Rights of Third Parties) Act 1999 by any person who is not a party to the Licence.
- 13.6 CLA shall have the right on giving reasonable notice to the Licensee to enter the Licensee's premises to review the implementation of the Licence by the Licensee and their compliance with its terms and to inspect the procedures being used by it.
