# Law Licence Terms and Conditions

## Introduction

This Licence records the terms on which CLA grants a licence to law firms within the United Kingdom to photocopy, scan or otherwise reproduce, and to use or to re-use extracts from material published in hard copy and electronic form in which copyright subsists.

### 1. Definitions and interpretation

1.1 In this Licence the following meanings shall apply:

**Application Form:**

the form completed by the Licensee applying for the grant of the Licence containing, amongst other things, information on its Associated Firms and Professional Employees;

**Associated Firms:**

any partnership, branch office, firm, individual or body corporate which carries on the practice or business of lawyers and/or the provision of ancillary professional or legal services in any part of the world and which carries on such practice or business under the same name as the Licensee or under a name which includes or refers to the same name as that of the Licensee, or which is associated financially with the Licensee and/or whose profits or losses (or any part thereof) are included in partnership profits with those of the Licensee, or (in the case of a corporate entity) whose shares or similar proprietorship rights are held directly or indirectly in the interests of the Licensee or in the interests of any partnership, firm, individual or body corporate which is, by virtue of this definition, an Associated Firm. A non-exhaustive list of Associated Firms at the date of signature of this Licence is included in, or attached to the Application Form.

**Authorised Persons:**

- i) for Paper Copies: partners in, employees of, or workers or consultants engaged by, the Licensee; and
- ii) for Digital Copies: only those persons (a) who are partners in, employees of, or are workers or consultants engaged by, the Licensee; (b) who are permitted by the Licensee to access the Secure Network and whose identity is authenticated at the time of login and periodically thereafter consistent with current best practice; and (c) whose conduct is subject to regulation and/or subject to supervision by the Licensee; in both cases where "workers" has the meaning given to it by the Employment Rights Act 1996 and "consultants" means individuals providing services to the Licensee;

**CCC Electronic-Rights Works:**

those works, whether in digital or hard copy form, published by a Participating US Publisher identified on CLA's website or other electronic means controlled by CLA as being available for scanning and digital use or re-use;

**CLA:**

- i) both any such list or information which is stated to be of general application to all CLA Licences and any stated to apply specifically to CLA Licences for law firms;
- ii) that list or information as periodically amended by CLA, any such amendment taking effect on the next Quarter Day after such amendment is first posted;

**Commencement Date:**

- 1.3 The term "partner" shall include any natural person who is a member of a limited liability partnership.
- 1.4 All references to the singular in this Licence may include the plural and vice versa as the context so requires and references to any gender shall include both genders.

**2. Grant of licence**

- 2.1 CLA grants to the Licensee and, as appropriate, Authorised Persons the non-exclusive right during the continuance of the Licence, on and subject to the terms and conditions in this Licence and in particular (but without limitation) to Clause 4.5, to:
    - 2.1.1 make or permit the making of Paper Copies and to distribute, or permit the distribution of, such Paper Copies to Authorised Persons;
    - 2.1.2 scan or permit the scanning of Material Licensed for Scanning to produce Digital Copies provided that, subject to Clause 6, the Licensee shall use reasonable endeavours to identify whether it subscribes to a digital version of the work in question and, if so, to use that digital version instead of creating a Digital Copy by scanning; Nothing in this Clause 2.1.2 shall prevent scanning of Material Licensed for Scanning that would otherwise be permitted under this Licence in circumstances where it is reasonably necessary to scan material in order to comply with court, arbitral, regulatory or other formal requirements;
    - 2.1.3 make available or permit the making available of Digital Copies to Authorised Persons, in both cases solely within the Secure Network. This includes, for the avoidance of doubt, the indexing, searching, opening, viewing, printing and presentation or display in electronic form of Digital Copies, but not any storage beyond that permitted by Clause 8;
    - 2.1.4 make or permit the making of copies of Paper Copies;
    - 2.1.5 do anything permitted by Clauses 7, 8 and 11;
    - 2.1.6 send or permit access to Licensed Copies to or, as the case may be, by partners in, employees of, or workers or consultants engaged by any Associated Firms (in each case a "recipient") outside of the United Kingdom where, in the case of Digital Copies created by scanning, such recipient would otherwise satisfy part (ii)(b) of the definition of "Authorised Persons" and whose conduct would be subject to regulation and/or subject to supervision by such Associated Firms subject to Licensee using reasonable endeavours to procure compliance with the following conditions:
      - 2.1.6.1 the recipient may open and view a Digital Copy and, except in the case of CCC Electronic-Rights Works, may only print a single Paper copy therefrom;
      - 2.1.6.2 such Digital Copies must contain either a Copyright Notice or have the same on a front sheet attached thereto.
  - 2.2 For the avoidance of doubt nothing in this Licence is to be taken to authorise, or to purport to authorise, the doing of any act outside of the United Kingdom other than the steps involved in the receipt, opening, viewing and printing permitted by Clause 2.1.6 and Clause 7; the responsibility for complying with the laws of other countries for any other acts shall rest with the Licensee and/or the recipient.
3. **Payment and term**
    - 3.1 The Licence shall commence on the Commencement Date and then continue from year to year unless and until determined in accordance with Clause 13.
    - 3.2 The Licence Fee, together with VAT thereon, is payable within 30 (thirty) days from the date of an invoice from CLA.
    - 3.3 Subject to the Licensee complying with all terms and conditions of the Licence, CLA shall automatically renew the Licence to the Licensee effective from the first anniversary of the Commencement Date and each subsequent anniversary.
    - 3.4 CLA reserves the right to charge interest at the Prescribed Rate on late payment of amounts due under the Licence.
    - 3.5 The Licensee shall, at least one month prior to each anniversary of the Commencement Date, notify CLA of any material change in the number of its Professional Employees.

#### **4. Conditions applying to creation and use of digital copies**

- 4.1 With the exception of any part of Website Material that is 'free to view' the Licensee must own or have subscribed to an original or a copy on which it has paid a copyright fee (which shall include material supplied in either hard copy or electronic form by a supplier licensed by CLA to provide such a service such as, but without limitation, document delivery and press cuttings suppliers) of any Licensed Material it copies or scans under the terms of the Licence.
- 4.2 No Licensed Copy shall exceed the greater of 5% of any item of Licensed Material, or:
- 4.2.1 in the case of a periodical publication, one whole article;
  - 4.2.2 in the case of a published report of judicial proceedings, the entire report of a single case; or
  - 4.2.3 in the case of a book, one chapter.
- 4.3 Licensed Copies of the same Licensed Material made for a single occasion or purpose shall be treated as one copy and Clause 4.2 interpreted accordingly.
- For Digital Material that is not made available or otherwise structured as a conventional book, journal, magazine or other periodical or, where the Digital Material is not divided into distinct sections identifiable as the equivalent of a book chapter or of an article in a journal, magazine or other periodical, that copying is limited to small extracts that are equivalent to the limits set out above, at all times bearing in mind in particular the requirement contained in Clause 4.5 that no copying shall substitute for the purchase of original Licensed Material.
- 4.4 Save as may be provided in Clauses 2 and 7, Licensed Copies may not be sold or otherwise disposed of (whether or not for valuable consideration) nor rented nor loaned to any third party or used for any external marketing or promotional purposes or exploited for purposes other than the internal information purposes of the Licensee or any individual permitted to access or receive any Licensed Copies pursuant to Clause 2.
- 4.5 The making of Licensed Copies shall not directly or indirectly substitute for the purchase of original Licensed Material (including, for the avoidance of doubt, access to Digital Material whether by way of subscription or otherwise) or for the commissioning, reproduction, hire or any other use of an original artistic work within Licensed Material.
- 4.6 Save as permitted by Clause 7.1.3, Licensed Copies may not be used for the delivery of education or training to third parties but may be made for the purposes of training of Authorised Persons provided that the Licensee may not receive payment or any other form of remuneration in consideration therefor.
- 4.7 For the avoidance of doubt, where the original is in full colour, Licensed Copies may be made in black and white (known as halftones) provided that no colour separations are made and provided that the Licensee complies with the provisions of Clauses 5.1 and 5.2.

#### **5. Further conditions applying to the creation and use of digital copies**

- 5.1 The Licensee shall not edit, amend, manipulate, add to or delete from Digital Copies nor shall it authorise the same except to the extent necessary to make the Digital Copies perceptible on a computer screen to an Authorised Person. The addition of a Copyright Notice to Digital Copies where required by the Licence, the addition of identifier tags or electronic notation superimposed on, or electronic marking-up of, a Digital Copy which clearly distinguishes such notation or marking-up from the original text (such as the use of different colours) shall not be a breach of this condition.
- 5.2 Except as may be permitted by Clauses 4.7, 5.1 and Clause 11, no digital manipulation, morphing, colour or shade adjustment or any other form of manipulation, may be made under the Licence of Digital Copies or of Digital Material.
- 5.3 Digital Copies may not be placed on the publicly accessible world wide web or, subject to Clause 7, be linked either directly or indirectly by hypertext links (or the like) to or from any external or third party website.
- 5.4 Except as permitted by the Licence, no other copying, dissemination, publication, communication or making available to the public, repackaging or distribution, in any form, of Digital Copies, in whole or part, is permitted.
- 5.5 Where any work appearing within Digital Material or Material Licensed for Scanning incorporates, or has adjacent to it, the identity of the author or the creator of the artistic and/or literary work, the Licensee shall ensure that every Digital Copy of that work shall include the identity of such author or creator. In cases where the Digital Material or Material Licensed for Scanning does not incorporate or have adjacent to it, the identity of the author or creator of the artistic or literary work, the Licensee shall use reasonable endeavours to ensure that every Digital Copy of that work shall include the identity of such author or creator.
- 5.6 The Licensee may subcontract the making of Licensed Copies to third parties, provided that:
- 5.6.1 the Licensee takes all reasonable steps to ensure that any such third party operates appropriate management and security procedures so as to ensure compliance with the terms of the Licence;
  - 5.6.2 record is kept of all such subcontracts and that such record is provided on request to CLA;
  - 5.6.3 the Licensee shall be fully responsible for any acts or omissions of its subcontractors with respect to Licensed Material made available to such subcontractors to the extent that such acts or omissions would be breaches of the Licence were they acts or omissions of the Licensee;
  - 5.6.4 the use of a sub-contractor located outside of the United Kingdom shall be deemed not to be a breach of Clause 2.
- 5.7 For the avoidance of doubt, nothing in this Licence shall operate to limit any rights which the Licensee may have in relation to the use of material supplied to the Licensee in electronic form under the terms and conditions of that supply.

#### **6. Further conditions applying to the use of CCC Electronic Rights Works**

- 6.1 Notwithstanding Clause 2.1.2, the Licensee may only scan, or permit the scanning of, hard copies of a CCC Electronic-Rights Work under the Licence where the same is not reasonably available in electronic form for the Licensee to purchase whether by subscription or otherwise.
- 6.2 The use of CCC Electronic-Rights Works is subject to such special limitations or other terms (if any) as are applicable to any individual work as identified on CLA's website.

## **7. Further permitted uses**

- 7.1** The Licensee may, subject to Clause 7.4, supply single Licensed Copies to:
- 7.1.1** existing clients in connection with the provision of advice on matters or in effecting transactions on which the Licensee has already been engaged by the client and to external advisers or consultants to the client and other third parties (such as, but without limitation, witnesses, law enforcement agencies, patent and trademark applications or filing offices and other regulatory bodies) who are engaged, or otherwise involved, in the matter or transaction where such supply is reasonably required for the purposes of the matter or transaction;
  - 7.1.2** existing clients in response to ad hoc requests from them and not as part of a continuing service or on a systematic basis;
  - 7.1.3** both prospective and existing clients where the supply is intended to alert the prospective or existing client to some matter or issue on which further advice might be sought by the prospective or existing client or which is otherwise intended to solicit new business provided such supply is on an ad hoc basis and not as part of a continuing service or on a systematic basis;
  - 7.1.4** existing clients, barristers and other external advisers and members of the judiciary or staff employed in Her Majesty's Courts Services in connection with the preparation, institution or prosecution or defence of legal proceedings or the giving of advice regarding any proceedings which may be contemplated or apprehended and to opposing legal advisers in such cases.
- 7.2** The Licensee shall use reasonable endeavours to ensure that, where practicable, Licensed Copies supplied pursuant to this Clause 7 must contain a Copyright Notice or have the same on a front sheet attached thereto. Where a document to be scanned already contains copyright notices placed on the document by the person owning or controlling the copyright, the Licensee shall not be required to add further notices to the document.
- 7.3** The references to clients, advisers, consultants and other third parties in Clause 7.1 shall also include clients, advisers, consultants and third parties situated outside the UK.
- 7.4** The permissions granted by clause 7.1.3 shall not apply to CCC Electronic-Rights Works.

## **8. Storage and deletion of digital copies**

- 8.1** The Licensee may store Digital Copies on the Secure Network. Such Digital Copies may be indexed and searchable, and, except in the case of CCC Electronic-Rights Works, may be accessed by the clients involved in the case or matter in question.
- 8.2** Subject to Clause 8.1, Digital Copies may not be stored on a server, or systematically indexed, with the intention of creating an electronic library or similar corporate information resource. The provisions of this Clause 8 are without prejudice to, and are subject to the provisions of, Clauses 4.5 and 5.7.
- 8.3** Upon termination of the Licence the Licensee shall, as soon as reasonably practicable delete from the hard drives of all of its central and all local servers any and all Digital Copies which may be stored there except that the Licensee may retain:
- 8.3.1** those Digital Copies the retention of which is required by law or other regulatory requirement;
  - 8.3.2** Digital Copies stored pursuant to Clause 8.1 for record purposes only which may not be accessed or used otherwise than in connection with subsequent legal proceedings (whether actual, contemplated or apprehended) or in connection with compliance and regulatory matters regarding the case or matter for which they were originally stored; and
  - 8.3.3** Digital Copies stored pursuant to either Clauses 8.1 or 8.2 for so long as the matter or case for which they were originally stored is still active. The permissions to retain Digital Copies under 8.3.1 and 8.3.2 above shall apply upon a termination for any reason; the permission to retain Digital Copies under 8.3.3 above shall not apply upon a termination by CLA for cause or upon a non-renewal by the Licensee. Upon written request from CLA the Licensee shall certify that it has complied with its obligations under this Clause.
- 8.4** Subject to any statutory or regulatory obligations relating to retention of documentation, the Licensee shall delete from the hard drives of all its central and local servers any and all Digital Copies which may be stored there upon notice from CLA to the Licensee that the Rightsholder believes that the Licensed Material contained in the Digital Copies infringes copyright or is, or may be, defamatory, obscene or otherwise unlawful and has removed, or intends to remove, the same for that reason from the current version of the relevant Digital Material or Material Licensed for Scanning as the case may be.
- 8.5** The provisions of this Clause 8 are without prejudice to, and are subject to, the provisions of Clause 4.5.

## **9. Other obligations**

- 9.1** The Licensee shall:
- 9.1.1** notify Authorised Persons of, and ensure their compliance with, the provisions of the Licence;
  - 9.1.2** use reasonable endeavours to display adjacent to every copying machine used to make Paper Copies, and every scanner used to produce Digital Copies, any Licensee support material which CLA may periodically supply, or make available on CLA's website, to the Licensee.
- 9.2** In exercising their rights under the Licence, the Licensee shall be responsible for complying with all applicable laws of any kind including (without limitation) moral rights, data protection, the obtaining of any consents which may be required from any person, firm or company (other than those consents relating solely to copyright and/or database right), privacy or personality rights of any kind, defamation or obscenity.

## **10. Data collection**

- 10.1** CLA may, no more than once in each year, require the Licensee to participate in a data collection exercise to identify the type of photocopying and scanning of Licensed Material and the use or re-use of Digital Material under the Licence which will assist CLA in distributing the Fee to authors, artists and publishers.
- 10.2** The data collection exercise may, without limitation, take the form of a survey or record keeping or online exercise, or any combination of these, including the recording of the creation of Digital Copies, in accordance with any guidelines on data collection on CLA's website.
- 10.3** If selected by CLA to participate in a data collection exercise, the Licensee shall cooperate with CLA in conducting the data collection exercise and undertakes to ensure that its employees comply with its obligations under this clause.

**10.4** CLA undertakes not to disclose any information obtained as a result of any data collection exercise except:

**10.4.1** as required by a court or other authority of competent jurisdiction; or

**10.4.2** in aggregated form from which the identity of the Licensee cannot directly be identified.

## **11. Print disabled persons**

**11.1** The provisions of this clause shall only apply where an Authorised Person is a Print Disabled Person in accordance with clause 11.3.

**11.2** Notwithstanding the provisions of clause 4.2 the Licensee, and as appropriate Authorised Persons, may make and supply a copy of part or the whole of any work within Licensed Material in an alternative manner or form that gives a Print Disabled Person access to the work including allowing for the Print Disabled Person to have access as feasibly and comfortably as a person without a visual impairment or any of the disabilities referred to in clause 9.3 (an "Accessible Format Copy") but must [respect the integrity of the work and] not include any changes to the work which are not necessary in order to make an Accessible Format Copy for the exclusive use of the Print Disabled Person for whom it is intended on, and subject to, the following conditions:

**11.2.1** the Licensee must have lawful access to an original copy of any work from which it makes an Accessible Format Copy;

**11.2.2** each Accessible Format Copy that exceeds the limits set out in clause 4.2 shall contain:

- i)** a statement that it is a copy of the original work made under a CLA Licence for the personal use of a Print Disabled Person and that it may not be further copied (including any electronic copying or transmission) or dealt with without permission or save as may be permitted by law; and
- ii)** the title, as well as the name of the author and publisher, of the original work and the published edition from which it is copied.

**11.2.3** the Licensee may only charge for the supply of an Accessible Format Copy an amount which does not exceed the cost of making and supplying it;

**11.2.4** that the Accessible Format Copy is only for the personal use of a Print Disabled Person (or a person acting on behalf of a Print Disabled Person) who is an Authorised Person; and

**11.2.5** Accessible Format Copies may only be distributed in the United Kingdom except that Accessible Copies of works published within the United Kingdom may be distributed in any member state of the European Union and any other country that is a party to the Marrakesh Treaty 2013.

**11.3** An Authorised Person is to be regarded as a "Print Disabled Person" for the purposes of this clause if he or she is a person who:

**11.3.1** is blind;

**11.3.2** has a visual impairment which cannot be improved so as to give that person visual function substantially equivalent to that of a person who has no such impairment;

**11.3.3** has a perceptual or reading disability, including dyslexia, and is, as a result, unable to read printed works to substantially the same degree as a person without an impairment or disability;

**11.3.4** is otherwise unable, due to physical disability, to hold or manipulate a book or to focus or move their eyes to the extent that would be normally acceptable for reading; or

**11.3.5** would otherwise be regarded as having a disability in accordance with s.6 of the Equality Act 2010.

**11.4** This clause is without prejudice to and does not purport to prevent or restrict the doing of any act which by virtue of and in accordance with the Copyright, Designs and Patents Act 1988 ("the Act") would not infringe copyright.

## **12. Indemnity**

**12.1** In this clause:

**12.1.1** "Qualifying Claim" shall mean any claim or complaint made in writing that any Indemnified Person (as defined below) acting in accordance with the Licence has infringed copyright and/or database right in Licensed Material or in any part of it or in the typographical arrangement of the published edition in which Licensed Material is contained. A "Qualifying Claim" shall not include any claim or complaint to the extent arising out of:

- i)** a failure to comply (notwithstanding the supervision by an Associated Firm of Authorised Persons and the use by the Licensee of reasonable endeavours to ensure compliance) with the conditions set out in Clause 2.1.6. attaching to the sending to or access by an Associated Firm outside of the United Kingdom pursuant to Clause 2.1.6; or
- ii)** a failure to attach a Copyright Notice as envisaged by Clause 7.3 (notwithstanding the use by the Licensee of its reasonable endeavours so to do).

**12.1.2** Indemnified Persons" shall mean:

any Licensee; and
